The Property is hereby made subject to this Declaration and the Property shall be owned, held, leased, transferred, sold, mortgaged and/or conveyed by Declarant, the Association and each Owner subject to this Declaration and the controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens set forth in this Declaration.

Section 2. Annexation/Removal of Property. If Declarant is the owner from time to time of any property ("Additional Property") which it desires to add to the scheme of this Declaration, it may do so by filing of record a Supplemental Declaration (herein so called) which shall extend the scheme of this Declaration to such Additional Property; provided, however, that such Supplemental Declaration as applied to the Additional Property covered thereby, may include such specific additional controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens as may be set forth in such Supplemental Declaration; and if a person or entity other than Declarant desires to add property to the scheme of this Declaration, such property may only be added with the assent of two thirds (2/3) of the votes of Class A and Class B members, if any. If Declarant, in the development process, deems it appropriate not to include subsequent phases in the Association, the Declarant has such right under this Declaration. Declarant reserves the right to annex other land contiguous to the land subject to this Declaration. All annexations undertaken by the Declarant of Additional Property must be undertaken on or before December 31, 2016, and approved by the County of Franklin.

Section 3. Contents of Supplemental Declaration. Each Supplemental Declaration shall set forth the controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens to which the Additional Property covered thereby shall be subject. Such controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens may contain additions, deletions and modifications from those contained in this Declaration, as the parties subjecting such Additional Property to the scheme of this Declaration may desire; provided if such party is other than Declarant, as a condition to such party's right to so impose such additions, deletions or modifications, such party must obtain the prior written consent thereto of

Declarant and the Association, acting through its Board. In no event, shall such Supplemental Declaration revoke, modify or add to the controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens established by this Declaration or a previously filed Supplemental Declaration as it applies or they apply to the Property or to previously added Additional Property except as provided in Section 5 of this Article. All Common Properties contained in Additional Property will be conveyed to the Association in conformity with Article II, Section 7.

Section 4. Merger or Consolidation. Upon a merger or consolidation of the Association with another association which is a nonprofit corporation composed of owners of Additional Property, the properties, rights and obligations of the Association may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the property, rights and obligations of the Association as the surviving corporation pursuant to a merger. The surviving or consolidated association shall be considered the Association and shall administer the terms and provisions of this Declaration and any applicable Supplemental Declarations, if any, affecting the portions of the Property in the jurisdiction of such Association, together with the covenants and restrictions established upon any other properties, as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the terms and provisions of this Declaration or any Supplemental Declaration pertaining to the Property or any portion thereof except as specifically provided in this Declaration.

Section 5. Members' Easements of Enjoyment. Subject to the provisions of these Covenants and the rules and regulations of the Association, every member shall have a right and easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to and shall run with the title of every lot, subject to the following restrictions set forth in Section 9 hereof.

(c) The right of the Association, as provided in its By-Laws, to suspend the enjoyment of rights of any Member or any tenant of any Member for any period during which any assessment remains unpaid; and for any period not to exceed sixty (60) days for any infractions of its published rules and regulations, it being understood that any suspension for either non-payment of any assessment or breach of the rules and regulations of the Association shall not constitute a waiver or discharge of the Member's obligations to pay the assessment; and

(d) The right of the Association to give, sell or lease all or any part of the Common Properties to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members, provided that no such gift, sale or lease shall be effective unless authorized by the vote of two-thirds (2/3) of the members of each class of Members at a duly called meeting and unless written notice of the proposed action is sent to every Member at least twenty (20) days in advance of any action taken. A true copy of such resolution together with a certificate of the result of the vote taken and a certificate of mailing executed by the Secretary of the Association or the managing agent and such certificate shall be annexed to any instrument affecting the Common Properties, prior to the recording thereof. Such certificates shall be conclusive evidence of authorization by the membership.

Section 8. FHA, VA, FNMA Approval. As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration, the Veterans Administration or the Federal National Mortgage Association: Annexation of Additional Properties, mergers or consolidations, mortgaging of Common Properties, dedication of Common Properties, and dissolution and amendment of this Declaration.

ARTICLE III - MEMBERSHIP

Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for membership. The Board of Directors may make reasonable rules as to proof of ownership of a Lot.

ARTICLE IV - VOTING RIGHTS

Section 1. The Association shall have two classes of voting membership and fractional voting shall not be permitted.

Class A. Class A members shall be all those Owners as defined in Article III with the exception of the Declarant. Class A members shall be entitled to one vote for each Lot in which they hold the interest required for membership by Article III. When more than one person holds such interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant. The Class B member shall be entitled to three (3) votes for each Lot in which it holds the interest required for membership by Article III, provided, that the Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs first:

(a) when the total votes outstanding in Class A membership equal the total votes outstanding in Class B membership, but provided that the Class B membership shall be reinstated if thereafter and before the time stated in Subparagraph (b) below, such additional lands are annexed to the Properties without the assent of Class A members on account of the development of such additional lands by the Declarant, all as provided for in Article II, Section 2 above, or

(b) on December 31, 2012, or

(c) upon written instrument executed by the Declarant and recorded in the Franklin County Registry transferring the Declarant's rights to another entity.

Section 2. The right of any Member to vote may be suspended by the Board of Directors for just cause pursuant to its rules and regulations.

ARTICLE V - PROPERTY RIGHTS

Section 1. Members' Easements of Enjoyment. Every member shall have a right and easement of enjoyment in and to the Common Area (including access, ingress, and egress to and from public streets and walkways) and such easement shall be appurtenant to and shall pass with the title to every assessed Lot, subject to the following provisions:

(a) The right of the Association, in accordance with its Articles and Bylaws and with the assent of members entitled to cast two-thirds (2/3) of the votes of the entire Class A membership and two-thirds (2/3) of the entire Class B membership, if any, to borrow money for the purpose of improving the Common Area and facilities and in aid thereof to

mortgage said property unless prohibited by law, and the rights of such mortgagee in said properties shall be subordinate to the rights of the homeowners hereunder;

(b) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members; provided, however, that no conveyance of Common Area shall deprive any Member of the full use thereof. No such dedication or transfer shall be effective unless an instrument signed by Members entitled to cast two-thirds (2/3) of the votes of the Class A membership and two-thirds (2/3) of the votes of the Class B membership, if any, has been recorded, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than 30 days nor more than 60 days in advance.

Section 2. Delegation of Use. Any Member may delegate, in accordance with the Bylaws, his right of enjoyment to the Common area and facilities to the members of his family, his tenants, or contact purchasers who reside on the Property.

Section 3. Restricted Parking Rights. No boats, trailers, campers, motor homes, limousines, trucks, tractors or similar personal property owned by a Member, his guests, family members or tenants shall be parked within the right of way of any public or private street in or adjacent to Stoneridge Subdivision; nor shall any of these be parked on the Properties except in an enclosed garage or screened area approved by the ACC. The Association shall have the right to adopt appropriate rules for the temporary parking of these items on the Properties and to designate certain Common Areas for parking.

Section 4. Antennas and Satellite Receiving Devices. The Location of satellite receiving devices of any kind whatsoever shall be approved by the Architectural Committee established hereinbelow.

ARTICLE VI

COVENANT FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (a) Annual assessments or charges which are common expenses; and
- (b) Special assessments for capital improvements.

Notwithstanding any provisions herein to the contrary, the assessment for each Lot which is not a Lot in Use shall be twenty-five percent (25%) of the assessment of a Lot in

Use except Lots owned by the Declarant shall not be subject to assessments, so long as the Declarant is not an active builder.

Such assessments shall be fixed, established, and collected from time to time as hereinafter provided.

The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, cost and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them. All assessments shall be shared equally by the Owners of each Lot, except as otherwise provided in this section.

Section 2. Purposes of Assessments. The assessments levied by the Association shall be used exclusively for beautification of the subdivision(including those items enumerated in Article I, Section 6; enforcing these covenants and the rules of the Association; improving and maintaining the Property; and, providing the use and enjoyment of the common Area and facilities.

Section 3. Amount of Assessment.

(a) Initial Assessment. To and including December 31, 2006, the initial annual assessment shall not be in excess of Four Hundred Fifty Dollars (\$450.00) per Lot in Use, the exact amount of which shall be determined from time to time as provided in subsection (d) of this Section 3.

(b) Increase by Association. From and after December 31, 2006, the annual assessment effective for any year may be increased from and after January 1 of the succeeding year by the Board of Directors, without a vote of the membership, by a percentage which may not exceed the greater of ten percent (10%) or the percentage increase reflected in the U.S. City Average, Consumer Price Index - United States and selected areas for urban wage earners and clerical workers, all items most recent index and percentage changes from selected dates (published by the U.S. Bureau of Labor Statistics, Washington, DC), or such other Index as may succeed the Consumer Price Index, for the twelve-month period ending the immediately preceding October 1.

(c) Increase by Members. From and after December 31, 2006, the annual assessment may be increased by a percentage greater than permitted by this Article by an affirmative vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose, written notice of which, setting forth the purpose of the meeting, shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. The limitations herein set forth shall not apply to any increase in assessments undertaken as an incident to a merger or

consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(d) **Criteria for Establishing Annual Assessment.** The initial annual assessment shall not exceed Four Hundred Fifty Dollars (\$450.00). In establishing the annual assessment for any subsequent assessment year, the Board of Directors shall consider all current costs and expenses of the Association, any accrued debts, and reserves for future needs, but it may not increase the annual assessment in an amount in excess of the greater of ten percent (10%) or the sums derived by application of the consumer Price Index formula provided in subsection (b) without the consent of the Members required in subsection (c) of this Section 3.

(e) Each lot owner, excepting the Declarant and those persons or entities in the house building business, shall pay the sum equal to two (2) months Association dues into a working capital fund of the Association at the time of transfer of said Lot to said owner.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the costs of construction or reconstruction, unexpected repair, or replacement of a described capital improvement upon the common area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which, setting forth the purpose of the meeting, shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. The amount of the proposed assessment need not be stated.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and Lots in Use, on a per Lot and per Lot in Use basis, and may be collected on either a monthly, quarterly, semi-annual or annual basis.

Section 6. Quorum for any Action authorized under Sections 3 or 4. At the first meeting called, as provided in Section 3 or 4 of this Article, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, subsequent meetings may be called, subject to the notice requirement set forth in Sections 4 or 5, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the next preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the next preceding meeting.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided herein for Lots in Use may be paid in installments and the payment of such shall commence as to each Lot in Use on the first day of the first month following the date on which the first lot has become a Lot in Use. The first annual

assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association, upon demand at any time, shall furnish a certificate in writing signed by an officer of the Association or by its management company, setting forth whether the assessments on a specified lot have been paid. A reasonable charge may be made for providing this information. A properly executed certificate of the Association or its Management Company as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments or portion thereof which are not paid when due shall be delinquent. The Board of Directors of the Association shall have the power to establish when dues and assessments are delinquent and the late charges or penalties as a result of any delinquencies, and the rate of interest applicable to late payments. The Association may bring an action against the owner personally obligated to pay the same, and interest, costs, late payment charges and reasonable attorney's fees resulting from any such action shall be added to the amount of such assessment. If any law permits the filing of a lien and the foreclosure of such lien, or other similar action, as a method of enforcement of the Association's right to collect assessments, the Association may use such remedy. No owner may waive or otherwise escape liability for the assessment provided for herein by non use of the common area or abandonment of his Lot.

Section 9. Special Individual Assessments. The Board may impose fines against any Lot and such fines shall be treated as a Special Assessment otherwise due to the Association, and as such will be a lien against the Owner's Residential Unit or Lot. Fines shall be paid not later than thirty (30) days after notice of the imposition or assessment of the fines. These fines shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; however, any fine paid by the offending Owner(s) shall be deducted from or offset against any damages that the Association may otherwise be entitled to recover by law from such Owner. Fines shall be as follows:

- (a) First non-compliance or violation: a fine not in excess of Fifty Dollars (\$50.00).
- (b) Second non-compliance or violation: a fine not in excess of One Hundred Dollars (\$100.00).
- (c) Third and subsequent non-compliance, or violation or violations that are of a continuing nature: a fine not in excess of One Hundred Dollars (\$100.00) for each week of continued violation or non-compliance.

Section 10. Effect of Nonpayment of Assessment. If an assessment is not paid when due, the Association may bring an action at law against the Owner personally or foreclose the lien against the Lot, and there shall be added to the amount of such assessment the costs of collection, including reasonable attorneys' fees and expenses, and interest as established by the Board. No Owner may waive or escape liability for the assessments provided for herein by non-use of the Common Properties or abandonment of his Lot. Each Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Association, or its agents or assigns, the right and power to bring all actions against such Owner or Member personally liable for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or a deed of trust lien on real property and such Owner hereby expressly grants to the Association a power of sale in connection with foreclosure of said Lien. The Lien provided for in this action shall be in favor of the Association and shall be for the benefit of all other Owners.

Section 11. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein on any Lot shall be subordinate to the lien of any first mortgage on such Lot. The transfer of any lot pursuant to such mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 12. Exempt Property. Any portion of the Property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein, except no land or improvements devoted to dwelling use shall be exempt from said assessment.

Section 13. Omission of Assessments. The omission of the Board, before the expiration of any year, to fix the assessments hereunder for that or the next year, shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay the assessments, or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

ARTICLE VII- FRONT YARD MAINTENANCE AND MASS PLANTINGS

Notwithstanding the fact that the Association shall provide maintenance of Common Areas, each Lot owner shall be responsible for maintaining the area between his front property line and the edge of the street or pavement(including his driveway and sidewalk). No Lot Owner shall plant any vegetable garden in front of his dwelling or mass planting on his Lot except with the prior written approval of the Architectural Committee established hereinbelow.

ARTICLE VIII - ARCHITECTURAL CONTROL

Section 1. The Architectural Control Committee ("ACC") shall consist of one (1) or more persons designated by the Declarant. At such time as Declarant no longer owns any real property within the Properties (or earlier if the Declarant shall surrender this right in a written instrument in recordable form executed by Declarant), the Declarant shall assign to the Association the rights, powers, duties and obligations of the ACC, whereupon the Board shall appoint three (3) or more persons as the members of the ACC. This Article may not be amended without the Declarant's written consent so long as the Declarant owns any real property subject to this Declaration or subject to annexation to this Declaration.

No building, flags, sign, except Builder's signage, fence, outside lighting, hedge, wall, walk, antenna, clothesline or other structure or planting shall be constructed, erected or planted until their plans and specifications showing the nature, kind, shape, height, elevation, materials, floor plans, color scheme, and location with respect to the topography and finished ground elevation shall have been submitted to and approved in writing by the ACC. The ACC shall have the right to refuse to approve any plans and specifications which are not suitable nor desirable, in its sole discretion, for aesthetic or any other reasons, provided such approval is not unreasonably withheld. In approving or disapproving such plans and applications, the ACC shall consider the suitability of the proposed building, improvements, structure or landscaping that is proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on an adjacent or neighboring property. In the event the ACC shall fail to specifically approve or disapprove the plans and specifications submitted in final and complete form within forty-five (45) days after written request for final approval or disapproval, such plans and specifications shall be deemed approved.

There is specifically reserved unto the ACC, the right of entry and inspection upon any Lot for the purpose of determination by the ACC whether there exists any construction of any improvement which violates the terms of any approval by the ACC or the terms of this Declaration or of any other covenants, conditions and restrictions to which its deed or other instrument of conveyance makes reference. The ACC and the Board of Directors is specifically empowered to enforce the provisions of this Declaration by any legal or equitable remedy, and in the event it becomes necessary to resort to litigation to determine the propriety of any constructed improvements, or to remove any unapproved improvements, the prevailing party shall be entitled to recovery of all court costs, expenses and reasonable attorney's fees in connection therewith.

The Association, Declarant, ACC or any officer, employee, agent, director or member thereof shall not be liable for damages to any persons submitting plans and specifications for approval by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval, disapproval or failure to approve any plans and specifications. Every person who submits plans and specifications for approval

agrees, by submission of such plans and specifications, that it will not bring any action or suit against the Association, Declarant or ACC to recover any such damages.

Section 2. If, in the event information submitted to the ACC is, in its opinion, incomplete or insufficient in any manner, it may request and require the submission of additional or supplemental information.

Section 3. Unless specifically excepted by the ACC, all improvements for which approval of the ACC is required under this Declaration shall be completed within a reasonable time from the date of commencement of said improvements or within the time set by ACC in the event that the approval is so conditioned.

Section 4. The ACC shall in all cases have the right to determine and designate building set back lines necessary to conform to the general plan of the Stoneridge Subdivision, in order to preserve the integrity of the Properties and the master plan. In this respect the ACC's judgement and determination shall be final and binding.

Section 5. A majority of the ACC may take any action of the committee and may designate a representative to act for it. In the event of death, disability or resignation of any member of the ACC, the Board of Directors shall designate a successor.

Section 6. The ACC may adopt additional guidelines along with rules and regulations as it deems necessary to carry out its functions and purposes hereunder, provided all such rules and regulations shall be approved by the Board of Directors and made a part of this Association's Book of Resolutions.

Section 7. The Association may impose reasonable fees and charges upon Owners applying for Architectural Control approval to enable it to carry out its functions.

Section 8. In an instance where a structure has been erected, or the construction thereof is substantially advanced, in such manner that the same violates the restrictions contained in this Declaration or any other covenants which the ACC has the power to enforce, or in such manner that the same encroaches on any easement area or setback line, the ACC reserves the right, but not the obligation, to release the property from the restriction which it violated and to grant an exception to permit the encroachment by the structure over the setback line or on the easement area, so long as the ACC, in the exercise of its sole discretion, determines that the release or exception will not materially and adversely affect the health, safety and appearance of the Properties.

The ACC has the right, but not the obligation, to grant waivers for deviations and infractions of this Declaration. The granting of any waiver for any portion of the Properties may be given or withheld in the ACC's sole discretion and a prior grant of a similar waiver shall not impose upon the ACC the duty to grant new or additional requests for such waivers.

Any exceptions granted by the ACC shall not relieve the property owner from the responsibility from obtaining the consent of easement holders and local governmental authorities.

ARTICLE IX - USE RESTRICTIONS

Section 1. Rules and Regulations. The Board of Directors of the Association shall have the power to formulate, amend, publish and enforce reasonable rules and regulations concerning the use and enjoyment of the front and rear yard space of each Lot and the Common Area. Section 1. Providing for Traffic Flow. It shall be the responsibility of the Association to maintain uninterrupted traffic flow along all streets within the Properties. If it is necessary for "no parking" signs to be erected in order to accomplish this, this shall be done at the expense of the Association as a common expense.

In no case shall the municipality or other agency which provides emergency or regular fire, police or other public service for the Properties, be responsible for failing to provide any such service to the Properties or any of its occupants when such failure is due to the lack of access to such areas or any other factor within the control of the developer, Association, or occupants.

Section 2. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 3. Insurance. The Board of Directors shall procure and maintain adequate liability and hazard insurance on Property owned by the Association, if any, and also Directors and Officers coverage. Liability insurance shall be procured and maintained in the minimum amount of \$500,000.00.

Section 4. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 5. Exchange of Common Area. The Association, acting through its Board, from time to time may exchange with the Declarant or any member a portion of the Common Area for a portion of the real property owned by such member within Stoneridge Subdivision provided that the real property acquired by the Association in exchange: (a) is free and clear of all encumbrances except the Declaration, and easements for drainage, utilities and sewers; (b) is contiguous to other portions of the Common Area; (c) has approximately the same area and utility as the portion of the Common Area exchanged; and (d) has been approved by the County of Franklin Planning Department to assure that the provisions of the Code of Franklin County are not being violated. The portion of the Common Area so acquired by Declarant or a member, without further act of the Association or membership, shall cease to be Common Area and shall be subject to those provisions of the Declaration that were applicable to the real property conveyed to the Association by the member.

Section 6. FHA/VA Approval. Notwithstanding any provision in this instrument to the contrary, as long as there is a Class B membership, and if Declarant desires to qualify sections of this subdivision for Federal Housing Administration, Veterans Administration, Fannie Mae or other similar agencies (but not otherwise), the following actions will require the prior approval of Federal Housing Administration, Veterans Administration, Fannie Mae or other similar agencies: Annexation of additional properties, dedication of Common Areas, exchange of Common Area for other portions of the Properties, and amendment of this Declaration of Covenants, Conditions and Restrictions.

Section 7. Amendment. The covenants, conditions and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by the owners of not less than seventy-five percent (75%) of the Lots, and thereafter by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots; provided, however, that the Board of Directors may amend this declaration, without the consent of the Owners, to correct any obvious error or inconsistency in drafting, typing or reproduction. All amendments shall be certified as an official act of the Association and shall forthwith be recorded in the Franklin County Registry. All amendments shall become effective upon recordation.

Section 8. If any amendment to these covenants, conditions and restrictions is executed, each amendment shall be delivered to the Board of Directors of this

Association. Thereupon, the Board of Directors, shall, within thirty (30) days do the following:

(a) Reasonably assure itself that the amendment has been executed by the Owners of the required number of Lots. (For this purpose, the Board may rely on its roster of members and shall not be required to cause any title to any Lot to be examined);

(b) Attach to the amendment a certification as to its validity, which certification shall be executed by the Association in the same manner that deeds are executed. The following form of certification is suggested.

TO COVENANTS, CONDITIONS AND RESTRICTIONS

(c) Immediately, and within the thirty (30) day period aforesaid, cause the amendment to be recorded in the Franklin County Registry.

All amendments shall be effective from the date of recordation in the Franklin County Registry, provided, however, that no such amendment shall be valid until it has been indexed in the name of this Association. When any instrument purporting to amend the covenants, conditions and restrictions has been certified by the Board of Directors, recorded and indexed as provided by this Section, it shall be conclusively presumed that such instrument constitutes a valid amendment as to all persons thereafter purchasing any Lots in Stoneridge Subdivision.

Section 9. Amendment of Declaration without approval of Owners. The Declarant, without the consent or approval of any other Owner, shall have the right to amend this Declaration to conform to the requirements of any law or governmental agency having legal jurisdiction over the Property or to qualify the Property or any Lots

and improvements thereon for mortgage or improvement loans made, insured or guaranteed by a governmental or any corporation or agency belonging to, sponsored by, or under the substantial control of, the United States Government or the State of North Carolina, regarding purchase or sale of such lots and improvements, or mortgage interest therein, as well as any other law or regulation relating to the control of the Property, including, without limitation, ecological controls, construction standards, aesthetics, and matters affecting the public health, safety and general welfare. A letter from an official of any such corporation, or agency, including, without limitation, the Veterans Administration, U.S. Department of Housing and Urban Development, the Federal Home Loan Mortgage Corporation, Government National Mortgage Corporation, or the Federal National Mortgage Association, requesting or suggesting an amendment necessary to comply with the requirements of such corporation or agency shall be sufficient evidence of the approval of such corporation or agency, provided that the changes made substantially conform to such request or suggestion.

No amendment made pursuant to this Section shall be effective until duly recorded in the Register of Deeds of Franklin County.

Section 10. Amendment to Achieve Tax-Exempt Status. The Declarant, for so long as it shall retain control of the Association, and, thereafter, the Board of Directors, may amend this Declaration as shall be necessary, in its opinion, and without the consent of any owner, to qualify the Association or the Property, or any portion thereof, for tax-exempt status.
