The Golden Pond baseball field may be rented for 2-hour periods. A \$50.00 deposit is required. You may mail or drop off a check to the above address to submit your deposit. Your deposit will be refunded after an inspection of the facility following your rental. The deposit may be withheld, and additional fees applied for damage to the field, fences, portable restroom, bases, grass, or if trash and other debris are left in the area. When the deposit is paid, and the reservation approved, the renter will be issued a permit that will be sent to you at the email address you provide to us.

At the beginning of your rental period, please display the permit along the first base fence so it is visible from Ferbow St. This will indicate to other residents that the field is reserved for private use. Deposits will be returned to the renter following an inspection of the field. Renters agree that only the baseball field is reserved for their use. The picnic shelter, playground, horseshoe pits and other common areas are available for use by all Golden Pond homeowners and their accompanied guests, whenever the recreation area is open. The playground area may not be rented or reserved. For additional information or questions, contact: Rogers Property Management at 919-529-2965.
